

## The Lasalle Avenue Project

Volume 56 06.19.15

Lasalle Avenue from 8th Street to Grant Street

### FOR THE WEEKEND OF JUNE 20-21

During the daytime and until 5 p.m. on Saturday, June 20th and on Sunday, June 21st, the intersection of 11th Street and Lasalle Avenue will be closed to through traffic. Local access will be maintained to Brit's Pub Ramp and the DoubleTree Hotel with controlled two-way traffic on 11th Street from Marquette Avenue to Lasalle Avenue. 11th Street will be open to through traffic, Saturday after 5 p.m. (see MAP B).

- City crews will begin installing storm drain inlet structures at the 11th Street intersection.

### FOR THE WEEK OF JUNE 22-26

From 8th Street to 10th Street, City crews will continue working on foundations and conduit for street lighting and traffic signals along with prep work for sidewalk replacement.

Private utility companies will be raising and making final adjustments to their manhole structures.

Pavement removal from 10th Street to 12th Street will continue for the next week.

Storm sewer work will continue at 11th Street. Private utilities will finish any remaining utility work that needs to be completed before the new pavement is installed.

The section of Lasalle Avenue from 10th Street to 12th Street will continue to be restricted to northbound traffic only. Southbound traffic will be detoured on 9th Street, Hennepin Avenue and 12th Street (see MAP A). This detour is expected to remain in place for several weeks. Future updates will provide more information.

We do appreciate your patience and understanding as we proceed with this project. Our goal is to keep you informed of our plans and schedule as we proceed and to fully construct the new Lasalle Avenue as quickly as possible.
